

MPI 2804 Easy Apply™

The quality choice for cost-effective medium-life tasks

Avery Dennison's MPI 2804 Easy Apply is a gloss calendered vinyl film for solvent, eco-solvent, UV-curing and latex inks. Designed for consistent digital print performance with clear images and true color, MPI 2804 Easy Apply delivers great value for application with intermediate durability.

Combined with the matching overlaminates - DOL 2800 Gloss and DOL 2900 Matt - this film has a life span of up to 3 years* printed. And thanks to the Avery Dennison Easy Apply technology the film is easier to apply and you save time during finishing as no air gets entrapped under the vinyl.

FEATURES

- > Avery Dennison's Easy Apply Technology
- > Printable on all platforms
- > Matching overlaminates
- > Covered under Avery Dennison's ICS warranty*

RECOMMENDED DOL

DOL 2800 Gloss / DOL 2900 Matt	Up to 3 years* printed outdoor life	Flat & simple curved surface	Glossy and matt finishes available
-----------------------------------	--	---------------------------------	---------------------------------------

* See graphics.averydennison.com for the terms and conditions of the ICS Warranty Program.

BENEFITS

- > The right result for the right price, no need for over-specification
- > Safe time during application and cosmetic finishing
- > Versatile product suitable for various wide format printers
- > Protect from mechanical abrasion and add the finish you wish: Gloss for more vibrant colours, matt to achieve a low glare finish
- > Peace of mind

RECOMMENDED USES

- > Medium-life printed outdoor and indoor advertising and signage
- > Printed vehicle graphic panels on flat and simply-curved surfaces
