Metamark (UK) Limited

Metamark House, Genesis Business Park, Woking, GU21 5RW, UK
Luneside, New Quay Road, Lancaster, LA1 5QP, UK

Warranty: Metamark (UK) Limited warrants to its customers that completed decorative markings which utilise Metamark SignVinyl will remain in good condition without excessive fading or colour degradation for the specified life time of each material when correctly stored and applied in accordance with procedures outlined in the technical literature. The data is given in good faith to provide an indication of the performance of the product. Purchasers should consider the suitability of each product for its intended use and the purchaser assumes all risks in connection with such use. Seller shall not be liable for damages in excess of the purchase price of the product nor for incidental nor consequential loss.

Performance you can trust

Reflectives for Signage

Commercial Grade Reflective for Signage and Advertising

Metamark commercial grade reflective vinyl is suitable for high visibility short term applications, such as general signage and advertising. The enclosed lens glass bead technology is available in 6 high gloss finish colours and can be used for both indoor and outdoor applications. Featuring a PET face film, the MM-RF3 Series is easy to install, gives robust handling and does not suffer from becoming brittle in cold conditions.
